

Welcome

We would like to welcome you and your business to our centre. With our corporate facilities we can offer a high standard venue perfect for all your business conferences and events.

The centre has superb facilities, that will meet and exceed your requirements, all within an inspirational environment and easily accessible by all major road and rail links.

The Millennium Suite

The spacious Millennium Suite was purpose built in 2001, and is a modern venue that offers the perfect location for conferences, meetings or other special occasions. It has fully equipped disabled facilities and exterior access to the car park for ease of transporting equipment comfortably and safely.

The Millennium Suite can accommodate 150 seated diners, or 250 conference style seminars. It can be split into two separate rooms, which provides the smaller venue for up to 80 people. With on-site catering, a fully licensed bar and dance floor, the Millennium Suite offers a flexible venue for all.

In addition to the main Suite, there are two further rooms that can be hired, each of which can hold up to 20 people. With these additional areas available we can ensure all your meeting, training and conferencing needs can be met within the Richard Herrod Centre.

With modern facilities, catering services, well proportioned rooms, and much more, we can accommodate your needs for all business conferences and presentations.
