## <u>Information on housing sites allocated in the Local Planning Document – Newstead</u> Policy LPD 69 (<u>Matter 9</u>)

The Inspector has requested that the Council provides background position statements to inform discussions of the individual housing sites at the hearing sessions.

The information provided is not new information (apart from the 'Updated Position at February 2017' column) but summarises information already available in the Site Selection Document, Housing Background Paper Addendum and Strategic Housing Land Availability Assessment (SHLAA).

The information provided in the 'Updated Position at February 2017" column is correct as at 23 February 2017. Any further updates will be reported during the hearing sessions.

The Community Infrastructure Levy (CIL) came into effect in October 2015. Where a site was granted planning permission prior to the CIL, no charges are applied. Further information on the CIL is available at the following webpage <a href="http://www.gedling.gov.uk/planningbuildingcontrol/planningdevelopmentmanagement/communityinfrastructurelevy">http://www.gedling.gov.uk/planningbuildingcontrol/planningdevelopmentmanagement/communityinfrastructurelevy</a>.

Further information on previous and current planning applications can be found at the following webpage <a href="https://pawam.gedling.gov.uk/online-applications">https://pawam.gedling.gov.uk/online-applications</a>.

Please note that this document is set as A3.

The site is proposed for allocation (40 homes) in the Local Planning Document (site H22). Due to the uncertainty as to whether the site will deliver 40 homes within the plan period, it is assumed that the site will be delivered after Year 15 unless new information is provided.		0	0	0	0	0	0	0	0	0	0	0	0
