These are the Revised Housing Background Paper Addendum [EX/104] and revised Policy LPD 63 Housing Distribution [EX/105]. Both of these documents have been subject to a public consultation exercise, which ended on 19 April 2017.

Progressing your Representations on the Plan

3. Only those seeking to change the plan have a right to participate in the Hearing session.¹ However, the Session is open for anyone to observe.
4. Those who have made comments during the recent public consultation exercise on EX/104 and EX/105 should let the Programme Officer know whether or not they intend to come and discuss their views orally at the Hearing Session by ***Friday 5 May 2017.*** For those representors not wishing to appear, I shall have equal regard to views made in writing as to those put at the Hearing, with both carrying the same weight. Attendance at the Hearing Session will only be useful and helpful to me if you wish to participate in the discussion.
5. An agenda for the Hearing Session will be circulated around a week before the Session opens and that will form the basis of the discussion.

Hearing Position Statements

6. Although I have invited Hearing Position Statements to be prepared for previous Hearings, given the recent and specific nature of the consultation exercise that has been undertaken I do not intend to seek Hearing Position Statements for this Hearing. I will, however, give participants the opportunity to respond to points made by other parties during the Hearing Session.
