

Important Information

Right to a Licence Check – From 1st January 2021

If you are an EU, EEA or Swiss citizen who previously used your passport to demonstrate your right to live and/or your right to work in the UK, the following information is important to you should you wish to apply for Taxi / Private Hire Drivers Licence, a Scrap Metal Dealers Licence or a Personal Licence after 1st January 2021.

What has change?

Due to the UK leaving the EU customs union and single market on 31st December 2020, all citizens who hold a Swiss passport, or one of an European Union (EU), European Economic Area (EEA) member state can no longer use this passport to demonstrate their right to work and/or live in the UK.

What do I need to do?

If you are a Swiss, EU and/or EEA citizen, you can apply to the EU Settlement Scheme to continue living in the UK after 30th June 2021. Information about the EU Settlement Scheme is available at the website below:

<https://www.gov.uk/settled-status-eu-citizens-families>

The deadline to make an application is 30th June 2021.

How does this affect my licence application / declaration?

As your passport (Swiss, EU and/or EEA member state) is no longer acceptable as part of your application to satisfy the right to a licence check, you are required to provide confirmation from the UK government of your right to live / right to work in the UK, by using the prescribed website below.

<https://www.gov.uk/view-prove-immigration-status>

You are required to provide a screen-print of the webpage confirming your status for your licence application to be considered complete.
