Dear Mr. Siviter

Calverton Neighbourhood Plan – Local Green Spaces

The Examiner apologises for this late question but he is looking at the proposed Local Green Spaces in Calverton and is clear that the land north of Park Road, land south of Crookdole Lane, land west of Hollinwood Lane and land south of Dark Lane are all entirely within Green Belt. He would like confirmation of

- whether land to the east of Bonner Hill is entirely within Green Belt or partly within Green Belt and partly within the Conservation Area;
- whether land south of Main Street is entirely within Green Belt and whether part of it is also within the Conservation Area.

An early response to these points would be appreciated.

In the interests of transparency, may I prevail upon you to ensure a copy of both this letter and the respective response (in due course) are placed on the relevant websites.

Thank you in advance for your assistance.

Your sincerely

Robert Yuille

Examiner
