

The Borough Council's position for each of the proposed Local Green Space designations is set out in Appendix 1 of the Hearing Position Statement (HD/06). Please refer to the map in this appendix which numbers each of the sites for ease of reference.

I can confirm that the four sites referred to are all entirely within the Green Belt (as set out in the adopted Replacement Local Plan 2005)

- Land North of Park Road (Site 1) (Note – the LPD intends to remove this site from the Green Belt. The Western Segment of the site is proposed Safeguarding Land)
- Land South of Crookdole Lane (Site 6)
- Land West of Hollinwood Lane (Site 9)
- Land South of Dark Lane (Site 10)

With regards to the Land East of Bonner Hill (Site 4), this site is entirely within the Green Belt in both the adopted and emerging plans. The northern third of the site is located in the Conservation Area designation as confirmed in the emerging LPD.

With regards to the Land South of Main Street (Site 3), this site is entirely within the Green Belt in the adopted and emerging plans. The northern part of this site (adjoining the built area) is located in the Conservation Area as confirmed in the emerging -LPD.
