

GEDLING BOROUGH COUNCIL

GEDLING BOROUGH LOCAL DEVELOPMENT SCHEME 2024 - 2027

January 2024

INTRODUCTION

- 1 Legislation set out in the Planning and Compulsory Purchase Act 2004 requires the Council to prepare and maintain a Local Development Scheme (LDS). This document is the revised LDS for Gedling Borough Council which will replace the existing Gedling Borough LDS approved in November 2019. The National Planning Policy Framework requires local planning authorities to review their local plans at least once every five years. This new LDS covers the period 2024/25 – 2027/28 to incorporate the review of the Gedling Borough Aligned Core Strategy which forms Part 1 of the Local Plan.
- 2 This new LDS also refers to the review of the Part 2 Local Plan namely the Local Planning Document which was adopted in 2018.
- 3 The Local Plan consists of: development plan documents and may include a core strategy, development management policies and other site specific development plan documents. Development proposals should be determined in accordance with the Local Plan unless there are material considerations that indicate otherwise.
- 4 Neighbourhood Plans introduced in 2011 also form part of the Local Plan for the area they cover once they have been subject to a positive result at a referendum. To date the following neighbourhood plans have become part of the Local Plan:
 - Calverton Neighbourhood Plan (Nov 2017);
 - Papplewick Neighbourhood Plan July 2018);
 - Burton Joyce Neighbourhood Plan (Nov 2018); and
 - Linby Neighbourhood Plan (May 2019).
- 5 As of January 2024 the Local Plan comprises:
 - Aligned Core Strategy 2014 (Part 1 Local Plan)
 - Local Planning Document 2018 (Part 2 Local Plan)
 - Burton Joyce Neighbourhood Plan
 - Calverton Neighbourhood Plan
 - Linby Neighbourhood Plan
 - Papplewick Neighbourhood Plan
- 6 Documents which support the Local Plan include:
 - Local Development Scheme – the timetable for the preparation of local development plans;
 - Statement of Community Involvement– sets out the Council’s approach to engaging with local communities during plan preparation and when consulting on planning applications; and

- Authority Monitoring Report – sets out the progress in terms of producing development plan documents and implementing policies.
- 7 The Local Plan will also include a Policies Map which illustrates the geographic extent of policies and proposals on a map base.
- 8 The individual documents making up the Local Plan are shown diagrammatically below:

Figure 1 Local Plan (note that following adoption of the Greater Nottingham Strategic Plan, this will replace the Aligned Core Strategy).

The Review of the Part 1 Local Plan

- 9 Gedling Borough along with Broxtowe Borough and Nottingham City Councils adopted the Aligned Core Strategies in 2014. Erewash Borough and Rushcliffe Borough adopted separate but aligned Core Strategies in 2014.
- 10 Preparation of the Greater Nottingham Strategic Plan is underway with the aim being for Broxtowe Borough, Gedling Borough, Nottingham City and Rushcliffe Borough Councils to prepare aligned core strategies covering the period 2022 – 2041. In the summer of 2020 and early 2021 the Councils consulted on the Greater Nottingham Strategic Plan Growth Options document under Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations. The Greater Nottingham Strategic Plan: Preferred Approach was subject to consultation in early 2023 and a further specific consultation on the Distribution and Logistics Preferred Approach in autumn 2023. The subject matter to be contained in the Greater Nottingham Strategic Plan is set out in **Appendix 1** below together with a timetable.
- 11 Once adopted the Greater Nottingham Strategic Plan will replace the adopted Aligned Core Strategy 2014 which forms Part 1 of the Local Plan.

The Review of the Part 2 Local Plan

- 12 The Local Planning Document 2018 forms Part 2 of the Local Plan and conforms to the Aligned Core Strategy. The Local Planning Document includes non-strategic site specific allocations and development management policies. The Greater Nottingham Strategic Plan will set out a new strategic planning framework for the future detailed planning of the area. As the Part 2 Local Plan must conform to the Part 1 Local Plan, it is proposed to commence the preparation of the evidence base to support the review of the Local Planning Document over the period covered by this new LDS. The scope of the review of the Local Planning Document is set out in **Appendix 2**. As the review of the Local Planning Document is dependent on the progress with the Greater Nottingham Strategic Plan the timetable cannot be specified at this stage.

Statement of Consultation

- 13 Gedling Borough Council adopted its Statement of Community Involvement in September 2019 to coincide with the preparation of the Greater Nottingham Strategic Plan. The Borough Council is committed to engaging with the local community on planning issues and this document sets out how and when the community will be consulted in the preparation of planning policy documents and also on planning applications.

Supplementary Planning Documents

- 14 Councils may also produce Supplementary Planning Documents to give further guidance on their adopted policies. Supplementary Planning Documents may cover a range of issues, which may be either thematic (e.g. affordable housing or open space provision) or site specific (e.g. development briefs for allocations). It is not necessary for Supplementary Planning Documents to be covered in the LDS. However, these documents are subject to Member approval and will also be subject to consultation as set out in the Statement

of Community Involvement.

The Proposals Map

- 15 As the Local Plan is adopted, the coverage of new policies and site-specific proposals will be included on a new composite Adopted Proposals Map.

Sustainability Appraisal and Strategic Environmental Assessment

- 16 Both the emerging Greater Nottingham Strategic Plan and review of the Local Planning Document are subject to an ongoing process of Sustainability Appraisal, which will incorporate the requirements for Strategic Environmental Assessment. This will inform the direction and content of each stage of the plan preparation process. The information used and the outcome of the appraisal process will be set out in an 'environmental report', which will accompany each development plan document. The timetable for this work will therefore run in parallel with each of the stages of plan preparation.

Equality Impact Assessment

- 17 Councils are also required by legislation to prepare an Equality Impact Assessment to make sure policies in the Local Plan do not discriminate against certain groups and that opportunities are taken to promote equality.
